

Fond du Lac Evening Lions Donate to Miracle League Diamond and Playground

September 2023 — For the past 5 years, the Fond du Lac Evening Lions have been contributing toward the Miracle League's new ball diamond and playground recently constructed at Plamore Park in Fond du Lac. Pictured are Lions Dale Albrandt, Tom Clausen, Elaine Colton, Betty Clausen, Gary Colton and Frank Bartzen (all in blue Lions shirts) along with Kelli Hughes, Executive Director and CEO of Brooke Industries. Brooke has been spearheading the project for at least seven years seeking funding for this massive project. Now people with special needs can play with others in an area designed especially for children with limited accessibility.
